

CIEH Level 3 Award in Risk Assessment Principles and Practice

Course Description:

Employers and the self employed have a legal duty to assess health and safety risks. Anyone carrying out a risk assessment needs to have the necessary knowledge and skills. This qualification ensures that supervisors and managers have the necessary depth of understanding to enable them to carry out risk assessments.

Course Outline:

The qualification covers the following topics:

- : Legislation
- : Principles of risk assessment
- : Prioritising risk
- : Controls
- : Documentation
- : Monitoring controls
- : Risk assessment in practice

Course Duration:

1 Day

Assessment:

Course delegates are required to submit an assignment and self evaluation form.

Certification:

All those that pass the assignment receive a nationally accredited certificate to prove they have participated in a training programme at QCA Level 3.

Extra Details:

Candidate assessment record is £25.26 per delegate (mandatory)
