

Food Safety Support Service

Course Description:

Our team of friendly food safety experts are qualified Environmental Health Officers and have been involved in both the private and public sector helping business owners/managers by providing advice and support so that you are legally compliant and being the best you can be. We are here to assist you and answer questions around something that is bothering you or provide more in depth advice and support.

Services include;

- Audits
- Food Safety Management Systems
- HACCP Systems
- Support and advice line

Course Duration:

1 Day +
