

Active Citizenship

Course Description:

This workshop provides an insight into the principles of citizenship and how it can empower people with disabilities to exercise their full rights within society. It presents a springboard for those who support and care for people who are very often disadvantaged by society to help them take control of their own destinies.

Course Outline:

The course covers the following topics:

- : History of support services
- : Principles of citizenship within the UK
- : Factors that create citizens
- : Models of support
- : Good practice by support providers
- : Taking control
- : Keeping control

Course Duration:

1 day

Assessment:

There is no final assessment. The tutor ensures a thorough understanding has been achieved by questions, answers, discussion and practical scenarios

Certification:

All delegates will receive a certificate of attendance
