

Level 4 Award in Health and Safety in the Workplace

Course Description:

This qualification provides a thorough understanding of health and safety emphasising the importance of monitoring staff and controls.

Course Outline:

Key personnel in organisations need the skills and knowledge to manage health and safety: simply being aware of and understanding the issues is not enough. This qualification is designed for those working in any business, regardless of their product or service range. It is essential for all those who have a role that includes responsibility for the management of health and safety issues, including managers, supervisors and senior safety personnel.

On completing this qualification, candidates will be able to:

- : Manage health and safety in most businesses
- : Develop auditing and monitoring programmes
- : Design safe practices and procedures
- : Liaise with enforcement officers
- : Interpret legal requirements
- : Train staff and establish risk assessment projects (with additional training where necessary)

Outline programme includes:

- : Workplace safety
- : Occupational health and hygiene
- : Safe systems
- : Techniques of safety management
- : Education and training

Course Duration:

36 hours minimum

Assessment:

Two assignments and examination

Awarding Body:

CIEH
