

Risk Assessment 1 Day

Course Description:

Risk assessment is at the heart of safety management. Health and Safety Legislation demands that employers assess the risk to the health, safety and welfare of their employees and document this process when employing five or more persons.

This course allocates more time to the practical application of risk assessment and covers the same outline as the ½ day course

Course Outline:

The course covers the following topics:

- : Legislation
- : Principles of risk assessment
- : Prioritising risk
- : Controls
- : Documentation
- : Monitoring controls
- : Risk assessment in practice

Course Duration:

1 Day

Assessment:

There is no final assessment. The tutor ensures a thorough understanding has been achieved by questions, answers, discussion and practical scenarios

Certification:

Delegates receive a certificate of attendance
